Edward Pardon, M.D., represents businesses and individuals in a range of scientific and technical areas focusing on patent litigation, including pharmaceutical patents, other clinically-related patents, and similar technologies. Dr. Pardon also counsels clients in regulatory issues related to the Hatch-Waxman Act and in providing infringement and validity analyses for pharmaceutical patents, and has substantial experience in general litigation and physician licensing matters as well.

Atlanta

Dr. Pardon was a law clerk for the Honorable Ronald T.Y. Moon, Chief Justice of the Supreme Court of Hawai'i. Before graduating from law school, Dr. Pardon practiced medicine for ten years and has experience conducting basic and clinical research as well as medical administrative experience.
