Nisha Patel practices Intellectual Property law with an emphasis on patent matters at the Minneapolis office of Merchant & Gould. Her practice focuses on assisting with domestic and international patent prosecution in technology areas related to diverse electric, electrical, and mechanical fields. Specifically, Nisha has experience with technological fields including telecommunications, computer architecture, medical devices, power distribution systems, fiber optics, and semiconductor microfabrication. Her transactional and prosecution related experiences include preparing patent applications and responses to Office Actions, conducting examiner interviews, analyzing patentability, and performing prior art searches.
